

# SUPPORT NCAR IN COURT!

Join us Monday November 7, 2011

10:00 AM - Wilkes County Superior Court  
500 Courthouse Drive | Wilkesboro, NC

NCAR Citizen, Mandie Rose is challenging jurisdiction by arguing the unconstitutionality of the Reconstruction Acts, which overthrew States' rights and nationalized citizenship. This argument is **critical** to putting America back on her Constitutional foundation, where states take their proper place over the federal government, and we begin to assert our rights instead of begging for them.

## What You Need To Know

- Come dressed in professional / business-casual attire.
- Please arrive promptly (if not a little early) and join the others at the courthouse entrance. We will all go up and sit in the court room together.
- Check the calendar on **www.NCREPUBLIC.org** for any changes/updates to dates or times.
